Care Golf Society Invitational
The Shires
Friday 23rd July 2010

Format

Today's format is Individual Stableford off full handicap. If you should discover that your handicap is lower than when you last looked then -

- (a) you are too modest, get real.
- (b) cutbacks ... haven't you heard?
- (c) Handicap Police are on your case – maximum for today is 24.

Registration

Please make sure all players register as soon as you arrive at the club.

Scorecards

Please ensure you use the labelled scorecards – available at registration, which everyone must do. There should be one card per player. Please hand the (legibly marked) cards to the scorers immediately after completing your round.

Prizes

There are two divisions playing today. The split was made halfway down the handicap order and is approximately at 18. We've consulted the R&A and their view on our strategy on divisions is that bandits will exist in each division. So it remains to be seen which one houses the strongest banditos. The prize for the biggest bandit is (in true Mexican) style a plate of bullet chillies. This will encourage traditional bandit behaviour of running around the patio shouting "Yee Hah!" Refrigerated Andrex will be available.

The other prizes are:

Division A

Winner
Runner Up
Third Place

Division B

Winner
Runner Up
Third Place

Best Front Nine
Best Back Nine
Nearest To Pin (x2)
Longest Drive (x2)

Not forgetting the usual mantra – ***please keep up with the group in front.*** If the Marshall makes any requests regarding speed of play please cooperate (you can't see them but he has a backup army).

Gambling within and outside your group is definitely encouraged. Take on a few bets. Be reckless with your cash, not your golf!

... and most importantly ... Enjoy
